Subject: Study to support the preparation of a Report on the application of Regulation (EU) No. 1215/2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (Brussels Ia Regulation)

Dear Madam, Dear Sir,

Milieu Consulting, an independent consulting firm, is carrying a study commissioned by the Directorate-General for Justice and Consumers of the European Commission.

The overall aim of the study is to provide the Commission with evidence and analysis in order to assist it in preparation of a report on the application of the Brussels Ia Regulation, a key EU instrument in the civil and commercial law area. A thorough analysis of the application of the Brussels Ia Regulation in the Member States should enable the Commission to determine in particular whether the rules laid down in the Regulation are being applied correctly and to identify the specific difficulties encountered in practice.

The representatives of Milieu Consulting and a team of national experts coordinated by Milieu will gather information and views of stakeholders on application of Brussels Ia Regulation by means of a survey and interviews. To ensure the success of the study, I would be most grateful if you could provide Milieu Consulting and its national experts with all assistance needed to carry out the study successfully.

Mr Michal Gondek, legal and policy officer at the Civil Justice Unit, who oversees this study on behalf of the European Commission, is available to respond to any questions you may have in relation to the study (e-mail: Michal.GONDEK@ec.europa.eu, tel: +32-2-2988004).

I thank you in advance for your cooperation.

Yours faithfully,

Andreas Stein
